How to Delete Your Account

Inas B. - 2026-06-11 - Reebok Connect

You may request the deletion of your Reebok Connect account at any time. We are committed to protecting your privacy and handling your personal data in accordance with applicable data protection regulations.

How Deletion Requests Are Processed

To protect customer privacy and prevent unauthorized account changes, our Customer Support Team cannot directly access or delete account data.

When a deletion request is received, our Support Team will:

- Verify the information required to identify the correct account
- Act as the point of contact throughout the process
- Escalate the request to the authorized internal team responsible for account deletion

Deletion requests are processed only after the necessary verification steps have been completed.

Requesting Account Deletion

If you would like to delete your account, please contact our Support Team at: support.reebok@vitalist.ca

Our team will guide you through the verification process and coordinate your deletion request with the appropriate internal team.

Important Information

Once your deletion request has been verified and processed:

- Your account will be permanently deleted
- Associated personal data will be removed in accordance with our retention and privacy obligations
- This action cannot be undone
- You will lose access to your account and associated data
- You will receive confirmation once the deletion process has been completed

If you have questions regarding your account, personal data, or privacy rights, please contact our Support Team for assistance.
