How to Change Your Password in the App

You can update your password directly from the app by following the steps below.

Change Your Password

1. Open the app.
2. Tap the **Me** tab.
3. Tap your **profile/name card** at the top of the screen.
4. Select **Change Password**.
5. Enter your current password.
6. Enter and confirm your new password.
7. Tap **Save** to confirm.

Your password will be updated immediately.

Having Trouble?

If you forgot your current password, please use the **Forgot Password** option on the login screen.

If you continue to experience issues, contact our Support Team for further assistance.
