How to Charge Your Reebok Rush

Inas B. - 2026-11-04 - Charging & Battery

Follow these steps to charge your Reebok Rush safely.

Connect the Charger

1. Connect the USB end of the charging cable to a computer or compatible charging brick.
2. Make sure the back of your Reebok Rush is clean and completely dry.
3. Align the charger's magnetic POGO pins with the metal charging contacts on the back of the watch.
4. Allow the magnets to guide the charger into the correct position.

When the charger is properly connected, your watch will vibrate and display the current charging level.

Important

Make sure the watch and charging contacts are dry before charging.
