How to Charge Your Reebok Stride

Inas B. - 2026-09-17 - [Charging & Battery](#)

Follow these steps to charge your Reebok Stride safely.

Charge Your Watch

1. Make sure the back of the watch and the charger's magnetic POGO pins are **clean and completely dry**.
2. Connect the USB end of the charger to a computer or compatible power adapter.
3. Align the magnetic POGO pins with the metal charging contacts on the back of the watch.
4. Once connected, the watch will vibrate and display its current battery level.

Important: Do not charge the watch while it or the charging contacts are wet.
