How to Pair Your Reebok Rush

Inas B. - 2026-10-24 - [Configuration & Appairage](#)

Pair your Reebok Rush with your smartphone using the Reebok Connect app.

Before You Start

- Make sure your smartphone has Bluetooth enabled.
- Make sure your Reebok Rush is turned on.
- Keep your watch close to your smartphone during pairing.

Pair Your Watch

1. Download and open the **Reebok Connect** app on your Android or iOS smartphone. You can also scan the QR code provided with your watch to download the app.
2. In the Reebok Connect app, tap **Add watch**.
3. Select **Reebok Rush**.
4. On your watch, open the QR Code screen and swipe up to view the MAC address.
5. In the app, select the watch with an ID matching the **last four digits of the MAC address** shown on your watch.

Follow the on-screen instructions in the app to complete the pairing process.
