How to Set Up Notifications on Your Reebok Rush

Inas B. - 2026-10-25 - [Connectivité](#)

Your Reebok Rush can display notifications from your smartphone when notification access is enabled.

Enable Notifications

1. Make sure Bluetooth is enabled on your smartphone.
2. Open the **Reebok Connect** app.
3. Tap **Phone notification settings**.
4. If prompted to grant notification access, tap **Turn on now**.
5. Enable the **Reebok Connect** toggle.
6. Select **Allow** if your smartphone asks you to confirm notification access.
7. Turn on the toggles for the types of notifications you want to receive on your watch.

View Saved Notifications

Your Reebok Rush can store up to **10 notifications**.

From the watch face, swipe up to view your saved notifications.
